

The Harley School Report on Giving

2016 to 2018

CENTENNIAL EDITION

Dear Friends and Supporters of The Harley School,

Welcome to the Centennial issue of our new *Report on Giving*!

As you can imagine, we have been busy: from celebrating the Centennial in October 2017 to installing yours truly as Head of School in September of 2018, there has been much to rejoice about at The Harley School.

With this new *Report on Giving*, I want to share my pride in our mission and my deep gratitude to every person who supports Harley and its students through kind deeds, donations, and volunteering. This report includes donors whose contributions to Harley spanned from July 1, 2016 to June 30, 2018, the two years of our Centennial celebration.

The Harley community has collectively raised the culture of philanthropy to a new level; this is an exciting time as we enter our second century!

Thanks to your support, we live our motto of helping students “Become What Thou Art” every day. Your gifts sent teachers to conferences, brought in national-level speakers and researchers, helped us toward our goal of making tuition within reach for the 48% of students who receive financial aid, and provided equipment, supplies, facilities and more. As I like to say, everything you see at Harley is because of philanthropy. Like all independent schools, we cannot operate on tuition alone.

We also recognize and appreciate those who are memorialized or honored by donors in this report. These inspiring figures are an important part of the fabric of Harley. From our teachers to our students, and among our parents and staff, our community thrives because of our collective support.

Thank you for your consideration in keeping Harley high on your list of philanthropic priorities. If we can serve you better, please reach out to me or our Director of Development Whitney Brice at wbrice@harleyschool.org or (585) 277-1116.

I look forward to more celebrating with you in the future!

Gratefully,

A handwritten signature in black ink, appearing to read "Larry Frye".

Larry Frye
Head of School

The Harley School
