

The Harley School
Report on Giving

2018 to 2019

The Harley School

Dear Friends and Supporters of The Harley School,

I truly enjoy this opportunity to thank and recognize our generous donors to The Harley School. This report includes donors whose contributions to Harley spanned from July 1, 2018 to June 30, 2019.

The Lives of Great Purpose Campaign is a big reason for increased support in recent years and the Harley Fund is an important part of this effort. As we work toward the board's plan to increase Harley Fund support by 50% by 2022, our donors have risen to the occasion and I could not be more grateful.

Your gifts provided professional development for teachers and staff and made a Harley education accessible to nearly half of our students who receive financial aid. Donations also make critical equipment, supplies, facilities needs and initiatives available to our school community.

Harley wouldn't be Harley without philanthropy. Like all independent schools, we depend on it in addition to tuition.

Thank you also to those who gave in memory or in honor of a person important in their lives. This show of support and recognition is part of what I love about Harley — supporting each other as a caring community and recognizing those who make a difference. Our Harley community is better when we all join in together.

Thank you for your consideration of making Harley a philanthropic priority. We welcome your input, so please reach out to me, or our Director of Development Whitney Brice at wbrice@harleyschool.org or (585) 277-1116.

Here's to more success and adventures in learning in the future!

Gratefully,

Larry Frye
Head of School

2018 to 2019 Giving
