

REPORT ON GIVING | 2019 2020

The Harley School

Established 1917

The Harley School

Dear Friends of the Harley School,

Your support means more than ever in these unprecedented times; in fact, without your help we just wouldn't be able to accomplish our important work. I'd like to share highlights from the 2019–2020 year at Harley so you can see what a positive impact philanthropy has here.

We publicly announced The Lives of Great Purpose Campaign in the Wilson Gallery during early November of 2019 with a challenge from the Sands family. Matt Winslow, Harley parent, trustee, and campaign chair shared that the Sands would add to their \$3 million gift—already the largest gift in the history of the school—if the Harley community could raise another \$1 million in support of Harley teachers. The effort was met with an anonymous \$500,000 gift in December and continued through the school year to help secure our endowment for faculty salaries.

The Harley Fund was critical in our ability to turn on a dime and move school to a remote learning environment, Harley@Home, in March due to the COVID-19 pandemic. I could not be more proud of how our community pulled together! Harley Fund donors made it possible for us to purchase the necessary equipment and make technology upgrades needed for a smooth, equitable transition. Additionally, the Harley Fund's first annual Heart of Harley Day of Giving encouraged gifts for current Harley families experiencing financial hardship took place on April 30, 2020. We will continue to focus a portion of our Harley Fund efforts on supporting those with ongoing, pandemic-driven financial needs.

Thank you to all of our sustainers, for not only your financial support, but also your thoughtful actions and volunteering, whether at the board level, on a committee, or in planning an event. This report includes donors whose contributions to the Harley School spanned from July 1, 2019 to June 30, 2020.

A Harley education is transformational and we could not do this without the incredible philanthropic commitment of the members of our community. Feel free to reach out to myself or our Director of Development, Whitney Brice at wbrice@harleyschool.org or (585) 277-1116 with your input or questions.

The Lives of Great Purpose campaign provides long term impact to the strength of our school. I welcome your involvement and participation!

Gratefully,

Larry Frye
