

Registration Information

The Harley School Driver Education Program helps students from area high schools learn to be safe, defensive drivers. Those who successfully complete our program receive a New York State Senior Night License **Form (MV-285)**. This enables 17-year-old students to drive after 9 pm. Many insurance companies give senior night license holders a premium reduction of up to 15%. The five-hour pre-licensing course **(MV-278)** is also part of the curriculum and will be issued to anyone enrolled at no additional cost.

The Fall / Winter program runs from September 20 to January 29, 2023.

Students must have a learner's permit or driver's license along with proof of vaccination to participate in Harley's Driver Education Program. Students must be 16 as of September 19, 2022 to participate.
