

THE HARLEY SCHOOL

REPORT ON GIVING

2020
2021

The Harley School

To the Harley family,

I am so thankful for you!

This has been another in what feels like a string of extraordinary years at Harley. We've worked hard to do good work in the context of the pandemic, but we couldn't have done any of it without the support of our fantastic community. Truly.

What have we done? It's hard to know what highlights to choose, but here are a few:

- Last summer we learned we were awarded a grant from the Edward E. Ford Foundation to write a curriculum for the climate crisis. Harley will be one of the only schools with such a curriculum; and we plan to disseminate it throughout our community and to interested schools and organizations across the country.
- In October, we celebrated the conclusion of our Lives of Great Purpose Campaign, the largest in the School's history. We exceeded our original goal by some \$4 million, and were able to:
 - create a \$5.3 million faculty endowment;
 - build three beautiful new spaces for learning—the Winslow Natural Playground & Outdoor Learning Center, the Moore/Brown Center for Creative Media, and the Peckham Wellness Center;
 - fund an endowment to support the First Line Initiative;
 - increase the Harley Fund by 50%;
 - and support the inspiring everyday work of our students, teachers, and staff
- All year, we have been engaged in an inclusive process to do the philosophical and practical work of strategic planning, articulating a vision for the future for Harley.
- And we had a school year as well! Homecoming, club rush, Pageant, a Tennessee Williams play festival, Halloween parade, days on Seneca and Darien Lake, the Creek Walk, the Commons Series... all of this carries on at our wonderful school, along with everything from multiplication to the periodic table to Shakespeare.

The support of the Harley community has been extraordinary, every step of the way. From parents volunteering at lunch and school events, to our Health Advisory Board steering us through the troubled waters of the pandemic, to generous donors (no matter the amount) making all of the above possible—Harley thrives because of the generous energy and spirit of the community.

So! On behalf of the School—from the littlest cherubs to the graduating Grade 12 students, from the newest member of our staff to the longest-tenured teacher—thank you. We wouldn't be here without you.

Sincerely,

Larry Frye, P '12, '15, '15
